

PHOTOGRAPHIC REPRODUCTIONS

Policy: Photographs purchased from Ketchikan Museums are to be used once only. No further rights are extended with the sale. If the print is used in a publication, the print must be returned with one copy of the publication. Credit must be given adjacent to every image displayed or published--credit line copy will be provided by Ketchikan Museums.

WARNING: The copyright law of the United States (*Title 17, U.S. Code*) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in tile Law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of the specified conditions is that tile photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.
