THE KAYHI KINGS PLAY FOR THE WIN

KAYHI KINGS

Congratulations to our Kayhi Kings! The 2009-2010 football team fought an unmistakably tough season! They definitely had their fair share of wins and losses, but in the end they pulled through with an exciting win over our Sitka Wolf rivals. From practice hours in the gravel and in the summer heat, to playing fierce games in the miserable Ketchikan rain; our Kings fought through it all to make us proud! Great job this season boys!

Student Exchange

Courtesy of Ketchikan Public Library and Ketchikan Museums

My exchange in China was an amazing experience. I had the opportunity of learning a completely different lifestyle and culture. I met lots of new people and made friends for life. The exchange helped me realize the richness of my life back home. I had the time of my life, and would not have changed it for anything. I am sure I will go back as soon as possible! - Bekah Bowers

Hello. My name is Pin, and I am an exchange student from Thailand. When I first came to Ketchikan, I felt very excited because I was going to study in a new school. I am having a lot of fun here, and have made new friends. I think that once the year is over I will have had a great time and will never forget.
- Samaporn Sanongkun

Going on an exchange was the best decision I've ever made. My year in Finland was the most amazing year of my life so far. I learned an immeasurable amount in a short time. I travelled throughout Finland and other European countries, and I have made lifelong friends from all over the world. Foreign exchange is tough, but so is everything else worth-while. I learned that there are so many adventures out there waiting for me!
Chandler Porter

Oh My Lanta! My exchange to Thailand was crazy as pie. I lived in the market with the rodents and roaches, learned the art of Thai Massage, rode elephants, ate bugs, and volunteered in the hill tribes of Thai-Thai. Along with these things, I learned a new language and made friends for life. EXCHANGES ARE FABULOUS! - Rachel Koons

Hello. My name is Roy, and I am an exchange student from Taiwan. I am very happy to be in Ketchikan, and enjoy it very much. Everyday is a lovely day, as long as it isn't raining or cold. All the people that I have met here are very kind. They teach me new things, and take me places. I pretty much like everything here except for government class. It's too confusing and I always guess on the tests. By the end of the year I hope to become a better, more wonderful person, and I know this is one time I will never forget. - Roy Fang

This autumn was a cold one. As the weather changed, so did our moods. We had several events to start off our school year and the seniors were fired up for walk-in and carnival. The under-classesmen were just as excited for the fall sports this season.

When Kayhi gave us the opportunity to jump into fun. .

Kayhi has started the fall season off with cool pep rallies and kicking football games. Kayhi's very own football players opened with a winning game at the beginning of the season and their last game left them with another inspiring win.

That's not all. We had some cool dances that got everybody movin' their bodies. Then everyone ran to go see the awesome cross country team do their thing. Everyone had, no doubt, the best time this fall.

It's that feeling you get when you enter a school, attend a game, or watch a pep rally. The feeling that everyone is proud of their team, their school, and the students that attend there; past, present, and future. It's the excitement in

the air, an invisible electricity that seems to emanate from everywhere. It's pride, it's camaraderie, and it's the involvement of everyone in the community. It's what sets some schools apart. It's what makes school memories so precious, and even though you can't define it

in one word, you know it when you see it, hear it, and feel it. It's what possesses some people to paint their faces in their school colors, wear outrageous wigs, tattoo animal footprints on their bodies, or do a wave dance in the stands.

That's school spirit.

Coach Stock

The 2009 - 2010 basketball season began with a lot of questions. With only one returning player with a good amount of varsity playing time last year, the Kayhi Kings boys basketball team was up for a tough season with a roster that had very little experience. Despite this disadvantage, the Kings were highly ranked in the State throughout most of the season. With Region V returning to three teams, the Kayhi Kings had a new conference rival, Thunder Mountain High School. The team travelled throughout the state and also across borders to play in a number of tournaments and to play their conference games. It was a great season for the Kayhi Kings, as they played their hearts out every game. GO KINGS!

Hey Team!

This season has been a blast! We're going to miss each and every one of you so much! You've all made this season a memorable one, but remember, no season is ever the same so make sure to live it up now and have lots of fun! Good luck, and make us proud next year!

Love, Your 2010 Seniors

K-Highlights 2009-2010

Courtesy of Ketchikan Public Library and Ketchikan Museums

What most people don't know about the K-highlights is how much dedication they have for what they do. They spend numerous hours practicing to perfect each performance, they strive to do their personal best in school, and enjoy working with children in and outside of the Ketchikan community. This season the K-highlights worked hard to prepare for the Region V tournament in Sitka, they made sure their make-up was perfect, hair was done, and smiles ready for the pesky paparazzil After regionals the team traveled to Portland, Oregon to compete in the PAC West National Competition; there they performed a hip-hop routine that demanded attention and showed that "the girls (and boys) were on the dance floor."

This year's pep club was peppier than ever. From waiting in the rain for the runners to cross that finish line, standing under their umbrellas waiting for a touchdown, sweating their heads off in the sauna-hot swimming pool, showing off their spirit fingers in the stands, to painting their bodies, yelling "Go Kings Go!" Our pep club was always there cheering and supporting our teams no matter what, win or loss! Let's also not forget that this year's pep club won Students of the Week for all the hard work they do. They did a great job making sure the teams felt welcomed and that our own athletes felt loved. Way to go Pep Club!

 Performing it is not for a slacker.
 The show is brief and kicks off the season
 All of Ketchikan goes because they have a good reason.
 Everyone loves to watch the ladies on stage,
 Who strut their stuff with little outrage.
 The girls train hard for two nights of fun,
 Yet by the end of performance all is not done.
 Their bones are achy and smiles worn-out,
 The only thing left to do is, of course, hangout.
 Now all is over and as we look back,
 The pictures give us such a great flashback.

THE GREAT DEBATERS...

The 2009-10 Kayhi DDF team had a great year. Starting with their first tournament in Haines and ending with the State competition at West Anchorage High School. The team was very competitive in both Drama and Debate. Elizabeth Graham, Rosemary Svenson, Austin Kalkins, and Dylan Kalkins did a great job earning high rankings in different drama events. Most notably Graham earned several first place rankings with her Dramatic Interpretation and Solo entries. Svenson and Graham were asked to do a command performance in Haines with their Duo-Interpretation performance. All four drama students went to represent Kayhi at the State event and earned strong marks for their performances.

Kayhi also represented quite well in Debate/Forensics. Brindalyn Greaves and Marco Torres came together to make a phenomenal freshman team as they won first place out of 14 teams at the Juneau meet, where they debated the issue of lobbyists role in American politics. At that same meet Connor Jepson ranked 3rd best speaker amongst 28 speakers, while the team of Crystal Alba and Jodi Gatti finished fourth overall. Sophomore Brendan Stanton and another "phenomenal" freshman Jackson Landis had debate performances throughout the season that proved that Kayhi will continue to have a great debate team for several years to come. The teams of Greaves & Torres, Jepson & Stanton, and Landis & Alba made it all the way to compete at the state event in Anchorage.

SING A SONG. SING OUT LOUD. SING OUT STRONG

Jazz choir was always good to me
 We flew over the mountains
 And the seas with our wings
 Made of notes
 Yummy little notes...
 I sang the low tones
 While others rang out high
 Into the stratosphere,
 Space and time.
 The lady's fingers danced
 Over the keys
 While we snapped
 In all the right places.
 Our voices blend together
 To form a tasty smoothie
 Of vocal perfection
 But that's just how we roll.
 With smiles on our faces
 And music in our skulls.

Clubs

around the school

Recycling Club meets every two weeks to collect recycled paper from the bins located throughout the school. They have also collected garbage that was scattered outside the school. Way to go!

Arts Around the School plans on making a mural for the senior class of 2010.

Ketchikan Community Club gathers whenever the opportunity arises for them to help out in their community. For instance, they have helped out at the Pioneer Home and served soup at the homeless shelter.

Rotary Interact Club does volunteer work to help out our community. They have volunteered at the Pioneer home, held a pie auction, and sang Christmas Cards at long-term care.

The Student Life Committee keeps students informed about what's going on in the school around them.

Arts Club gathers every Wednesday in Madame Z's room to sketch it up.

Reminder

As the Sophomore Class of 2012, we have officially survived our first year of high school. We as a class now have a better footing within the school. No more getting lost on our first day. We finally got over the fear of that senior square. Now we are in the year of no worries. Granted we're not at the top quite yet, but we definitely are not at the BOTTOM!

The exclusive
Seniors only Government class is
a rite of passage on your way to graduating from
Koyhi. Seniors are taught about laws and politics
in order to prepare themselves for the real world
of voting. Passing this class means smooth
sailing to receiving a diploma.
Congrats Class of 2010.

How to Make a Beautiful Life

Crystal Dec Blair
Sept 28, 1991 8 lbs 12 Oz

Love yourself.
Make peace with who you are and where
you are at this moment in time.

Listen to your heart.
If you can't hear what it's saying in this
noisy world, make time for yourself. Enjoy
your own company. Let your mind wander
among the stars.

Try. Take chances. Make mistakes.
Life can be messy and confusing at times,
but it's also full of surprises.
The next rock in your path might be a
stepping-stone.

Be happy.
When you don't have what you want, want
what you have.

Make do.
That's a well-kept secret of contentment.
There aren't any shortcuts to tomorrow.
You have to make your own way.
To know where you're going is only part of
it. You need to know where you've been,
too. And if you ever get lost, don't worry.
The people you love will find you.

Count on it.
Life isn't days and years. It's about what
you do with time. And all the goodness and
grace that's inside you.

Make a beautiful life....
The kind of life you deserve.

Love Always,
Mom and Dad
